identification letter/information sheet

registration number 7075887 / Born on the October 20, 2002

With this letter you will receive your student ID, consisting of your HIZ ID, your master password and your personal email address. Please keep this document in a safe place.

e-mail	vith00006@stud.uni-saarland.de
HIZID	vith00006
master password	a%LVykU7

The student ID is your "entrance ticket" to various services (e.g. the SIM student portal, the online services at www.office.com, MS Teams, LSF lecture catalog), which will be of great importance in your further studies. In order to be able to use all services right from the start, please change the master password to a password of your choice as soon as possible.

Please note that your master password is valid for a maximum of 8 weeks after enrollment! Activation of the ID can then take up to 3 working days! To change the master password, use the website listed below under "Important Links".

Please read your student emails regularly from now on. Important emails about starting your studies and all other central information from Saarland University will be sent to this address in the future.

Be sure to also find out about the first steps when starting at Saarland University at www.uni-saarland.de/studienbeginn. In our information portal for starting your studies you will find a lot of useful information, e.g. on introductory events and preparatory courses, on creating a timetable, on digital teaching or on the subject of accommodation.
