

Reservation of an accomodation

You are not yet in Saarbrücken and you are already looking for a suitable apartment?

For legal reasons, it is not possible to conclude a rental agreement without a personal inspection of the apartment.

We are happy to offer you to reserve the apartment in advance for a fee.

This will be kept available for you personally until a later date. In the case of a rental, the fee will be offset as a rental payment and you will not incur any further costs. Only in the event that the apartment is not rented by you, regardless of the background or fault, will the fee be withheld and not paid out. By paying a reservation fee you agree to these conditions.

The fee for a fully furnished room (with bathroom sharing) is 200 €, for a fully furnished apartment (with own bathroom) 250 €.

To make a reservation, please transfer the respective amount to our account at the Sparkasse Saarbrücken, Neumarkt 17, 66117 Saarbrücken.
