Conditional Admission to Saarland University

Date of birth: 2002-10-20
Nationality: India

Dear Vishnuvasan Thadan Srinivasan,

based on your application and the results of the review process, we offer you a seat in the

Master's Program Data Science and Artificial Intelligence,
Semester: summer 25
Deadline for Enrollment: 2025-03-24
Entry semester: 1
Standard period of study: 4 semesters

Requirements for Conditional Admission:
Your application for admission is granted subject to the provision that you submit the following documents to the Admissions Office by no later than by the end of term summer 25: Your Bachelor's degree graduation certificate and your final transcript of records. If these documents were not issued in German or English, you will also need to submit officially certified translations into either German or English that have been prepared by a sworn translator.

If you do not meet these conditions by the stated deadline, your conditional admission will be revoked and your enrolment in the above-mentioned degree programme will lapse. Any coursework and any academic assessments or examinations already completed in the Master's degree programme will then become invalid.

We hereby confirm that we have examined the candidate's (Vishnuvasan Thadan Srinivasan) knowledge of the English language and approved it in the admission process.

Note, that anyone can verify this letter online by entering the token `de40603c` and the spc-id `10480` on our site https://apply.cs.uni-saarland.de (no user account required).

Your next step is to enrol at Saarland University. If you require a visa to study in Germany, please ensure that you have a valid student visa when you enrol. You can enrol online via the SIM portal where you can find further information on the enrolment process. https://www.uni-saarland.de/en/study/application/master/enrol.html

After your arrival in Germany, you will need to complete a number of administrative tasks. These include finding accommodation, organizing health insurance cover, registering your address with the municipal authorities and registering with the Foreigner's Registration Office. For more information and assistance, please visit the website of Saarland University's Welcome Center:

https://www.uni-saarland.de/en/global/welcome-center.html

We are looking forward to welcoming you at Saarland University!

Yours sincerely,
